Have you been watching the transformation of the front garden? This beautiful effort of CPC's landscaping "Phase Three" was made possible by the vision of **Bev Penry**. She continues to plan and dream as CPC becomes ever more beautiful. Soon, the bench we purchased to honor Bev's dedication to our grounds will be assembled and placed. Stay tuned for announcements about the location. Many thanks, also, to Abel Jurado of **Colin Labor Gardens** for his attention to detail, color, and balance. Abel is our ongoing landscaper and does a great job.

Garden News

It finally stopped raining long enough so that we could plant our Food Bank garden. It was especially fun because Napa Valley CanDo and Latinos Unidos volunteers were planting on the same day. Our two gardens were humming and buzzing with excited volunteers laying irrigation lines, weeding, amending the soil, and getting those precious baby veggies into the ground. Since then, of course, the rain has returned, but everything seems to be thriving. We're trying to stay on top of the cucumber beetles and cutworms. So far so good!

Napa Valley CanDo

If any families are interested, contact Jesse, Liz or Carole.
